Welcome Home

The Hive is a peer-supported recovery housing program designed specifically for people in LEVEL III recovery. This booklet is your personal guide to the services and supports available to you in the Manchester community. You are not alone — your community is here for you.

What The Hive in Manchester, NH offers you:

- Shared, safe housing with other women in recovery
- Daily structure to support routine-building
- Peer accountability — you are never doing this alone
- Connections to outpatient treatment, coaching, and meetings
- A focus on rebuilding stability in housing, employment, and emotional wellbeing
